Lunchtime Seminar

Dr Mary Gautier

Formation of Leaders and Ministers in the Church in the Light of Catholic Demographic Trends in the U.S.A.

Mary L. Gautier is a senior research associate at CARA (Centre for Applied Research in the Apostolate, Georgetown University, Washington DC). She has a PhD in sociology from Louisiana State University. At CARA, Mary specializes in Catholic demographic trends in the United States, manages CARA databases on Church information, and conducts demographic projects and computer-aided mapping. She also edits *The CARA Report*, a quarterly research publication, and other CARA publications. She is co-author of *Catholicism USA* (2000), *Global Catholicism* (2003), and *American Catholics Today: New Realities of Their Faith and Their Church* (2007), *Best Practices of Catholic Pastoral and Finance Councils* (2012), and *Same Call, Different Men: The Evolution of the Priesthood Since Vatican II* (2012).

**Thursday 6 March 2014 1.00pm–2.00pm**

**Treacy Boardroom, CTC**
